## CLOTHES RACKS

60W

IPX1

### EH1582

#### Freestanding Heated Clothes/Towel Rack

- Simple installation for minimum hassle
- Stylish yet practical curvaceous design
- Slim, lightweight and freestanding, ensuring optimum portability
- Simple ON/OFF switch for easy operation
- Affordable and suitable for use year round

## OVERDOOR HEATERS

2kW

### EH1896

#### Prem-I-Air 2kW Overdoor Heater

- PTC Heating for high thermal efficiency
- Heat or Fan only settings for year round use
- Remote control and timer for total convenience
- 7.5 Day Timer
- Wide oscillating angle for greater coverage

**EH1464**

**2kW PTC Over Door Heater/Fan with Remote Control and 24 Hour 7 Day Timer**

- PTC Heating for high thermal efficiency
- Heat or Fan only settings for year round use
- Remote control and timer for total convenience
- 24 Hour 7 Day Timer
- Wide oscillating angle for greater coverage

2kW

3kW

**EH1688**

**Prem-I-Air Elite 3 kW Over Door Air Curtain**

- PTC Heating for high thermal efficiency

## INDUSTRIAL HEATERS

- Ideal for Orangeries, Garages, Workshops and Commercial Environments

### EH1904

#### Prem-I-Air 2kW Commercial Fan Heater

- 2 Fan Speeds and Adjustable Thermostat for Comfort Control
- Robust metal design is supplied fully assembled
- Safety Tip Over Switch

### EH1902

#### Prem-I-Air 2.8kW Industrial Heater

- Robust and Lightweight Design with heavy duty handle
- Adjustable temperature control
- Adjustable thermostat control
- Tip Over Switch

## PATIO HEATERS

### EH1462

#### 2.3 kW Calor-Luz Wall Mounted Patio Heater with Light, Remote Control and Sensor

- Wall mounted patio heater ideal for home and commercial use
- Stylish and understated for traditional or contemporary settings
- Built-in light and simple-to-use push button controls
- ECO option with sensor offers greater efficiency
- Supplied with remote control for total convenience
